Sehnalova – Koch report

*Report on eCall: a new 112 service for citizens
(2012/2056(INI)) - A7-0205/2012*

- Jointly prepared by TRAN and IMCO Committees
- Approved by the Committees by 58/4/8
- Approved by the Plenary on 3rd July by overwhelming majority

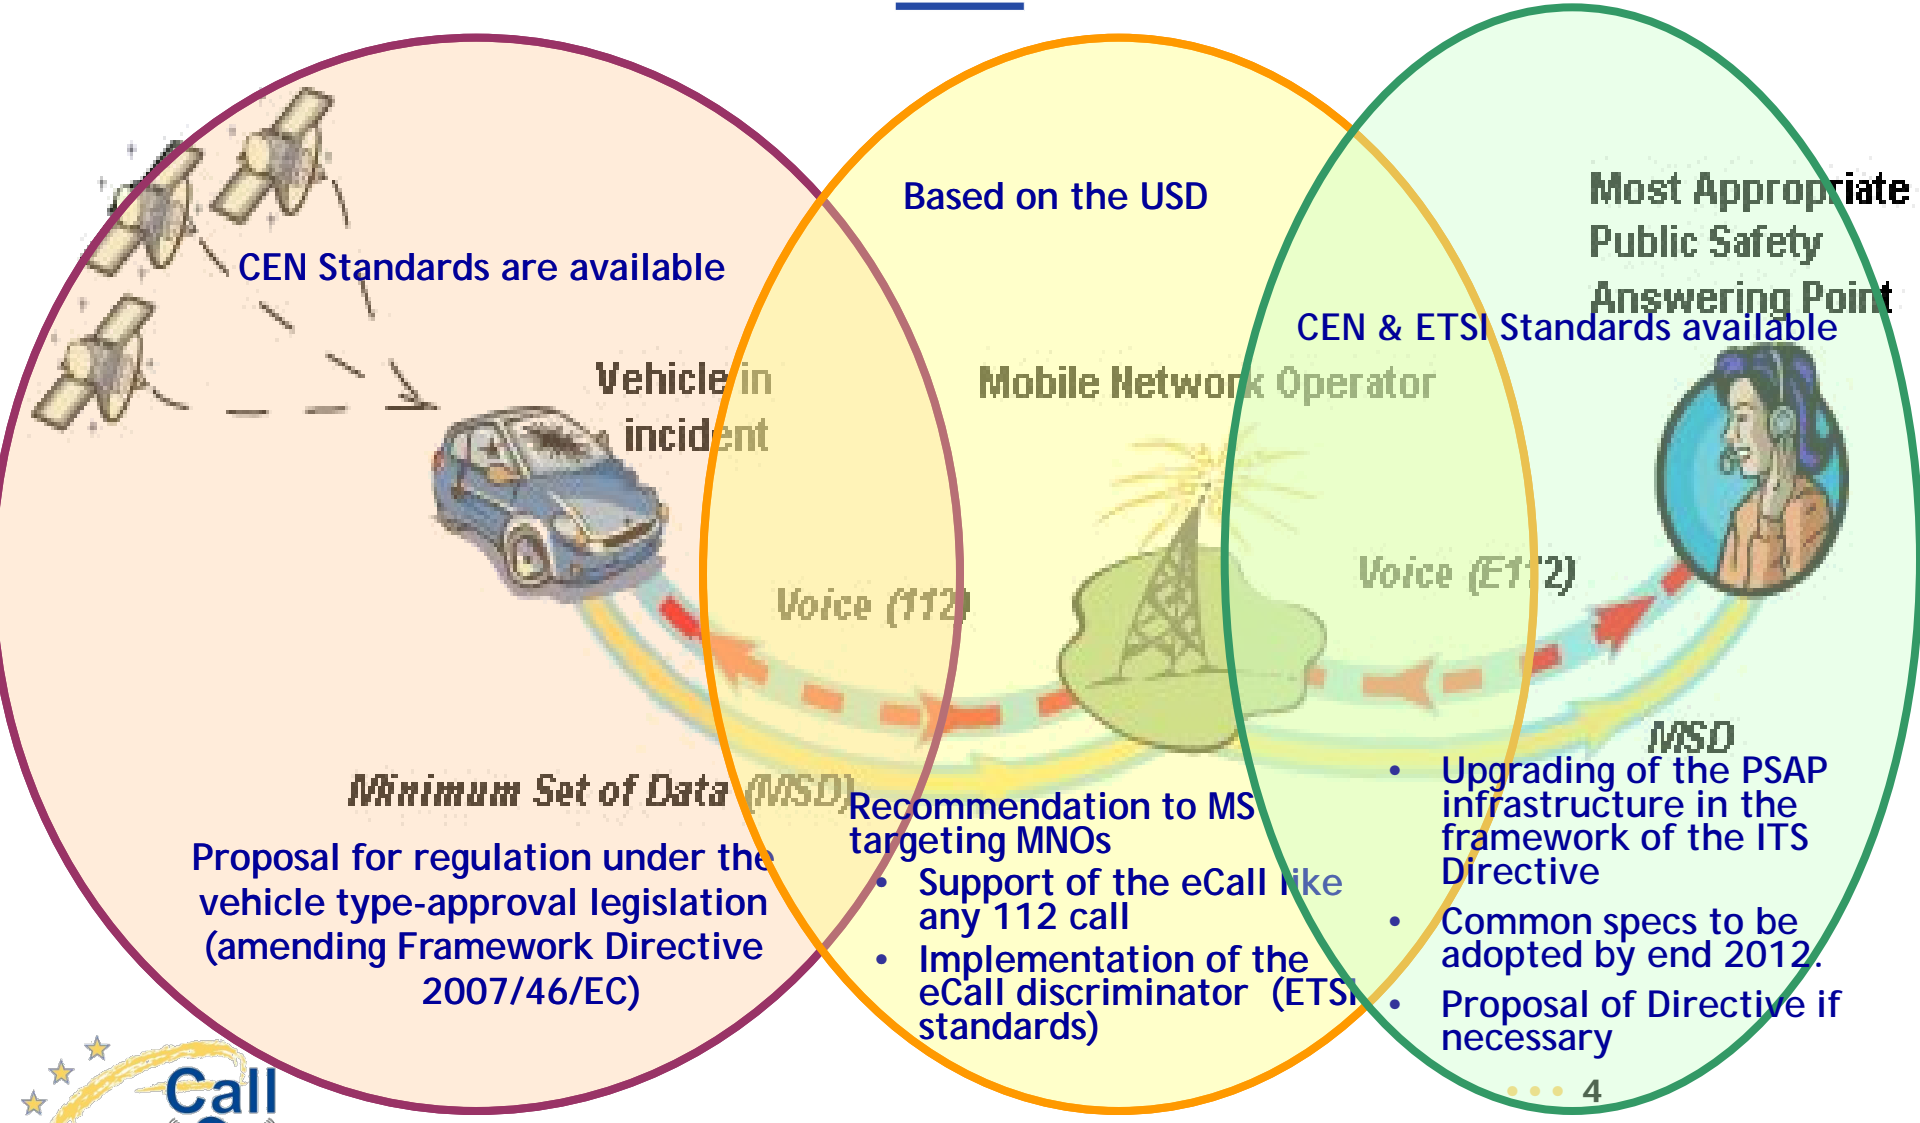

Main contents

- Calls for mandatory introduction of eCall in EU
- Public service based on 112 and pan-European standards, embedded in all vehicles and in all EU
- Calls Commission to accelerate legislative proposals to ensure timely and parallel implementation of the eCall service by 2015
- Clear rules on liability. Respect to privacy. Open choice
- Consider the extension to other vehicles (P2W, HDV, buses and coaches,...). Aftermarket allowed.
- MS to sign MoU
- Support to HeERO extension and cooperation with ERA-GLONASS
- Request for awareness campaigns

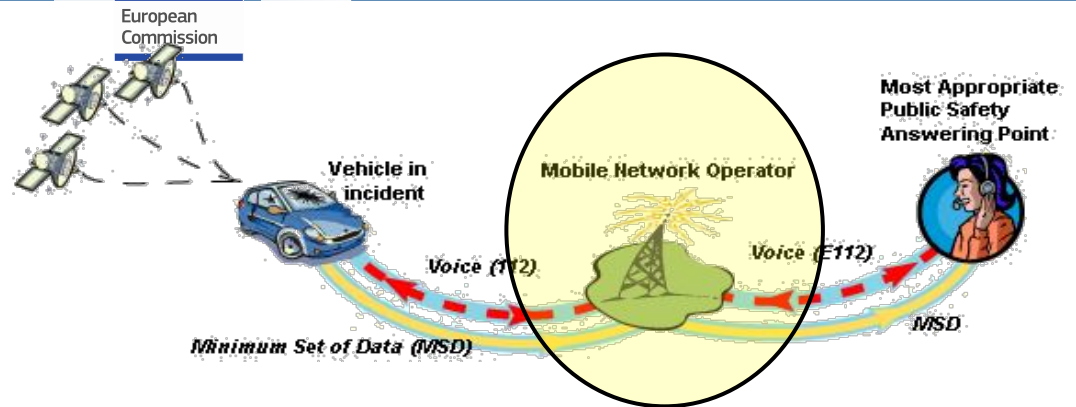

Status Regulatory measures

C(2011) 6269
